Gill CORLETT

FOR RAMSEY
COMMISSIONERS

My key priorities: Protect the South Shore • Enhance the Town Centre

- Empower Community Involvement • Increase Accessibility & Communication
- Champion Ramsey-Centered Governance

I am standing as a candidate to the Ramsey Commission because I believe that our future is shaped by the decisions we make today. Our town is full of potential, and together, we can build an inclusive, vibrant, and sustainable environment for all.

I have lived in Ramsey for many years, and taught in Ramsey primary schools for longer. I have considered my association with the town on both counts to be personally enriching – now it is time to give back.

May I outline my key priorities and the values that guide me? My vision is one where your voice is heard, your concerns are addressed, and we work together for a brighter future. I am confident that with your support, we can make this vision a reality.

We have the most fantastic resource in our town in the form of the south shore. It is somewhere that we can all come to play and recharge in nature – and here's the point: it is natural and free, and available to us all. We are also custodians of it as an area of marine conservation importance. The south beach needs to be safeguarded – not treated as a development site that would benefit the few.

Moving inland from the beach, we come to the quay, Market Hill and Parliament St – the beating heart of our community, where incomes are made and spent by residents and visitors alike. It already is an attractive, functional and successful part of our town – a centre of which we can be proud. Concerns such as flood risk, pavement safety, effective parking all need to be tackled once and for all. Ramsey has so much potential in town – the courthouse, the empty shop buildings, the open spaces – and I would ensure that Ramsey people know that they can be more involved in what is provided. I think we need to expand on how events and new provisions are made known – not everyone uses tech-based resources!

Should I be elected as a member of the Commission, I would try to work closely, collaboratively and effectively with my fellow members, seeking to continue to bring Ramsey-focused decision making to all our deliberations, and help see things through.

How can this all be achieved?

1. Hold regular public open meetings to ensure residents' voices are heard.
2. Work closely with charities, businesses, schools, and the police to help deliver community-driven solutions.
3. Ensure that there is effective and transparent use of town funds.

Why Vote for Gill Corlett?

I am committed to being a proactive and accessible representative for Ramsey. My goal is to work with the community to create a safer, more vibrant, and inclusive environment for all. With your support, we can make Ramsey a place everyone is proud to call home. Together, let's build an even better Ramsey!

Polling information

Voting on the day will take place at **Ramsey Town Hall**, on **Thursday 17th July**. The polling station will be open from **8:00am until 8:00pm**.

Please feel free to contact me: gillcorlett70@gmail.com or **07940 509655**
